CONSENT FOR SERVICES:

As a condition of your treatment by this office, financial arrangements must be made in advance. The practice depends upon reimbursement from the patients for the costs incurred in their care and financial responsibility on the part of each patient must be determined before treatment.

All emergency dental services performed without previous financial arrangements, must be paid for in full at the time services are performed.

Patients who carry dental insurance understand that all dental service furnished are charged directly to the patient and that he or she is personally responsible for payment of all dental services. This office will help prepare the patients insurance forms or assist in making collections from insurance companies and will credit any such collections to the patient's account. However, this dental office cannot render services on the assumptions that our charges will be paid by an insurance company.

A service charge of 1.5% per month (18% per annually) on the unpaid balance will be charged on all accounts exceeding 60 days, unless previously written financial arrangements are satisfied. I understand that the fee estimated listed for this dental care can only be extended for a period of 6 months from the date of the patient examination.

In consideration for the professional services rendered to me, or at my request, by the Doctor, I agree to pay therefore the reasonable value of said services to said Doctor, or his assignee, at the time said services are rendered, or within 5 days of billing if credit shall be extended. I further agree that the reasonable value of said services shall be as billed unless objected to, by me, in writing, within the time for payment thereof. I further agree that a waiver of any breach of any time or condition hereunder shall not constitute a waiver of any further term or condition and I further agree to pay all costs and reasonable attorney fees if suit be instituted hereunder.

I grant my permission to you or your assignee, to telephone, text message, email me at home or work to discuss matters related to this form. I give permission for my dentist and clinical team to take any necessary radiographs, study models, and photographs to make a complete diagnosis of my dental needs. I also give permission for my dentist and dental team to use my photographs for in-office patient education.

I consent to the use and disclosure of my protected health information to obtain payment information in connection with my dental claims.

__ (Initial) INSURANCE: You are responsible for the entire balance of any treatment you receive. We will be glad to file your insurance electronically. Due to the large variety of insurance companies and plans, we are unable to determine the exact amount of coverage for each plan at the time of treatment. Your insurance coverage will be estimated and the remaining balance is due at time of treatment.

__ (Initial) MISSING APPOINTMENT / LATE CANCELLATION: Please give us the courtesy of 2 business days' notice if you are unable to make your appointment. If adequate notice is not given, a missed appointment or late cancellation charge will be applied to your account in the amount of $50.00 for each hour of time scheduled.

The undersigned hereby authorizes the Doctor to take X-rays, study models, photographs, or any other diagnostic acts deemed appropriate by the Doctor to make a thorough diagnosis of the patient's dental needs. I further understand that a 1.5% finance charge (18% annually) will be added to any balance over 60 days from when treatment was received. In event of default I (We) promise to pay legal interest on the indebtedness, together with such collection costs and reasonable attorney fees as may be required to effect collection of this note.
